

Educational Materials Request Form – General Population

Thank you for your interest in receiving educational materials to support your tobacco-free efforts. Depending on availability, materials are available at no cost to advocates currently working on tobacco prevention and cessation efforts with High School Aged Youth and/ or Young Adults (18-24 year olds) in California.

Many of these materials are also available for purchase at low or no cost through the [Tobacco Education Clearinghouse of California \(TECC\)](#) or the [California Smokers’ Helpline](#).

Please send completed form to info@cyanonline.org.
