

Educational Materials Request Form – Military

Thank you for your interest in receiving educational materials to support your tobacco-free efforts. Depending on availability, materials may be available at no cost to tobacco-free advocates currently working on tobacco prevention and cessation efforts with California Military Installations and Veterans

Many of these materials are also available for purchase at low or no cost through the [Tobacco Education Clearinghouse of California \(TECC\)](#) or the [California Smokers’ Helpline](#).

Please send completed form to info@cyanonline.org.
